

SERVSAFE TRAINING

Our instructors maintain many years of hospitality industry experience and have a strong background in food safety education.

ATTEND A LOCAL CLASS!

Class: 8am to 2pm (some states vary) including the exam. We do a working lunch, so bring a lunch or snack with you. We are typically at the exam portion of the class by noon. Class includes the written exam (10 days for results).

LET US BRING THE CLASS TO YOU!

Group of 5 or more anywhere in New England, 10 or more anywhere in the US. Class administration fee may apply.

GROUP RATES

Group rates available as low as \$99 per person! Price includes: Online Study Portal Access, Live Class and the Written Exam.

HRFoodSafe will share real life experiences as well as the technical aspects of food safety. We are a leading instructor of food protection training, offering the most convenient and affordable class schedule available.

HRFoodSafe also offers consulting in many areas of foodservice operations.

- Food Safety Inspections
- HACCP Plan Development
- Training Manual Development
- Consulting services

OUR MISSION

Personalized Service, Integrity and Commitment in all we do!

ABOUT US

HRFoodSafe offers ServSafe® training from the National Restaurant Association Educational Foundation. We are also CP-FS certified (Certified Professional in Food Safety) by NEHA as well as certified instructors for the NEHA and NRFSP food safety training programs. All training programs meet the requirements for Food Protection Manager Certification that are required for operation of most food service establishments.

We offer over 40 scheduled classes per month or there is the option of us coming to you!

HACCP TRAINING

This course meets accepted HACCP standards. It contains the information needed to effectively participate in the organization, development, implementation, and management of a successful HACCP plan. The student will experience practical, real world interactive case studies that cover the “five preliminary steps” of HACCP and the application of its “seven principles”. Two online course options available starting at \$229.

ALLERGEN TRAINING

delivers the importance of allergen awareness. Is available via classroom training or online. The cost varies based on jurisdiction, visit our website for details. Online course allows for immediate download of certificate upon completion of training. Live class certificates received in approximately 7 days.

CHOKESAVER TRAINING

course can be scheduled at our location or yours. Email us for more information. Online course \$19.95.
